RECRUITING AND PROMOTING
 (Data is for the 2019-2020 School Year)

<p align="center">Measures Taken to Support Promotion of Black Teachers</p>	<p align="center">Measures Taken to Support Promotion of Black Administrators</p>
<p>From March 11, 2020 through June 10, 2020 a total of sixteen classroom teachers were screened and included in the talent pool to be interviewed for administrative positions. Seven were black and nine were white.</p>	<p>A Professional Learning Unit was developed by the district to provide leadership training and resources to new administrators as they grow in their field. The year-long study, entitled Growing Focused administrators, created a mentoring platform with monthly topics to support building relationships, knowledge and confidence in their administrator role.</p>
<p>In June of 2020, eight teachers were selected and assigned to the role of Assistant Principal for the 2020-2021 school year. Six were black and two were white.</p>	<p>In June of 2020, an Administrative Conference was held to support administrators in the district. All Assistant Principals were included in the training to provide leadership training in classroom best practices and support growth and capacity in assistant principals.</p>
<p>Multiple Professional Learning Unit opportunities were created and made available to teachers to support administrative certification. PLU topics included: Safe and Inclusive Schools Leading for Equity Developing a Culture of Trust Through School Leadership Effective Literacy Instruction</p>	<p>In June of 2020, six Assistant Principals were promoted to the role of Principal. Three were black and three were white.</p>
<p>The percentage of black assistant principals has remained above 50% for the last four years: 2017-2018: 65% black 2018-2019: 55% black 2019-2020: 54% black 2020-2021: 60% black</p>	<p>The percentage of black principals has increased each year for the last four years: 2017-2018: 31% black 2018-2019: 43% black 2019-2020: 47% black 2020-2021: 51% black</p>
